**January Homework Calendar** Remember to do at least eight activities per month, around 2 per week. Color in which days you completed. Return this calendar and any writing or drawing papers by Monday, February 4<sup>th</sup>.

6

7

8 Write and draw about one thing you want to learn *to do* or *learn* this year.

9 Retell the story of The Mitten. Draw and label some of the animals that squeezed inside.

10 Teach your family the "Ring in the New Year" song. Draw and write about how you will be kinder for the New Year.

11 Tell about the book Snowballs that we read this week. Make a plan and gather supplies for your snowman project.

12

13

14 **No School** Have an adult tell you about Dr. MLK, Jr. & why we honor him today.

15 Teach your family the "Stand Up for Dr. King" song. Draw and write about his dreams... and **YOURS!**

16 Draw & write about the weather. What words can you use to describe it? Try some "Fancy Nancy" words!

17 Teach your family the "I'm a Little Snowman" song. Read your "The Snowman" book. Finish your project.

18 You are learning so much in school! Sing "Kiss Your Brain" and tell about all the things you've learned.

19

20

21 Use a globe or map to show the polar regions. Tell your family what you've learned about the animals that live there.

22 Draw & label two things in your house that are shorter than your foot and two things that are longer than your foot.

23 Practice your sight words. How many do you know?

24 Draw five things. Write the beginning and ending sounds for each one. Try the middle sounds, too.

25 Read with your family the library books you checked out this week.

26

28 Read eight of your Treasure Box books.

29 Draw and label two things that weigh less than you, and 2 things that weigh more than you.

30 Fold a paper into 4 parts. In each part, write one season. Then draw and write what you like to do in that season.

31 Teach your family the "Found a Penny" song. Use your book. Find some coins and name each one.
